Dr. D. Premachandra Sagar
Pro Chancellor and Founder

They are thinkers, planners, institution builders. By profession they are medical doctors, enriched with insights gained from hands-on work experience, learning and sharing through interaction. Accomplished and widely travelled, they bring with them worldly wisdom in all that they do.

About DSU

Dayananda Sagar Institutions founded in the 60's by one such visionary, late Sri Dayananda Sagar committed to take knowledge to the people, transforms today's students into responsible citizens and professional leaders of tomorrow. Dayananda Sagar University created by an Act of the Karnataka State in 2014, built on this adorable legacy and inspired by its own milestones, meeting the needs of quality higher education in this part of the world. This main campus is thoughtfully planned on 130 acres, with a picturesque site and a blossoming green environment, making it free from city crowds and pollution. Being a completely self-contained campus adjacent to Harohalli (45kms from Bengaluru city), it is equipped with all the modern state-of-the-art infrastructure, creating a conducive environment for progressive experiential learning and transforming you into next-generation innovators, explorers, leaders, and researchers.

About College of Physiotherapy

At DSU, we focus on incorporating a curriculum directed towards learning outcomes. Degrees are granted based on students' ability to demonstrate and achieve outcomes related to knowledge, skills, attitudes, values, and the academic standards expected in the profession. Our vision at the College of Physiotherapy, DSU, is to become a hub for excellence in physiotherapy education, clinical training, research, and innovation. We aim to produce professionals with outstanding skills and leadership qualities who can provide compassionate care to humanity. Our core values at the College of Physiotherapy, DSU, include a strong focus on quality, innovation, teamwork, service, integrity, and compassion. Students who successfully complete the four-and-a-half-year undergraduate program and the two-year postgraduate program in Physiotherapy at DSU will earn a Bachelor of Physiotherapy and a Masters in Physiotherapy degree, respectively. Our institute boasts the state-of-the-art Dr. Chandramma Dayananda Sagar Institute of Medical Education and Research (CDSIMER) which offers extensive facilities for teaching, research, and patient care. CDSIMER is well-equipped with modern medical infrastructure to provide hands-on training for future healthcare professionals. The university provides an opportunity for interdisciplinary collaboration for knowledge sharing and research, given that, we share the campus with the School of Engineering, School of Basic and Applied sciences etc. We work closely with Dayananda Sagar Entrepreneurship Research and Business Incubation Foundation, a world-class incubation centre aiming to create a sustainable ecosystem for entrepreneurship through state of art technology support and business wisdom.
