

SCHOOL OF COMPUTER APPLICATIONS

Title of the event	Workshop on “Digital Solutions for Environmental Sustainability”
Audience	I SEM MCA
Date	17/1/2025
Timing	1. 30 PM to 4.30 PM
Number of audiences participated	61
Venue	Room No. 202
Resource person:	Dr. Niladri Choudri & Dr. Surabhi Prakash
Event organizing Body	School of Computer Applications Dayananda Sagar University
Event organizer	K. Ashtalakshmi School of Computer Applications

Objective of the Event:

A workshop on “Digital Solutions for Environmental Sustainability” was recently conducted to explore innovative technological interventions aimed at addressing pressing environmental challenges. The event brought together experts from diverse domains, including environmental science, technology, and policy-making, to share insights on leveraging digital tools for sustainable practices. Topics such as IoT-based environmental monitoring, AI-driven waste management systems, and digital platforms for resource optimization were discussed in detail. The sessions highlighted the potential of digital innovations in improving efficiency, reducing waste, and promoting green practices in industries, urban planning, and natural resource management.

The workshop featured engaging panel discussions, hands-on demonstrations, and interactive brainstorming sessions to encourage collaborative solutions among participants. Case studies of successful implementations of digital sustainability solutions were presented, inspiring participants to adopt similar strategies in their fields. The event concluded with a commitment to fostering partnerships and scaling impactful technologies to achieve long-term environmental sustainability goals. The workshop proved to be a valuable platform for knowledge exchange and the promotion of digital solutions as a driving force for a greener future.

e-Banner:

The banner features a dark blue background with a subtle circular pattern on the right. On the left is the Dayananda Sagar University logo, a circular emblem with a yellow and blue shield and the text 'DAYANANDA SAGAR UNIVERSITY' and 'BENGALURU • INDIA'. The main text is centered and reads: 'DAYANANDA SAGAR UNIVERSITY' in large white letters, followed by 'SCHOOL OF COMPUTER APPLICATIONS' in smaller white letters, then 'organizes' in a smaller font, and 'Workshop on Digital Solutions for Environmental Sustainability' in a larger, bold, light blue font. Below this, two light blue rounded rectangular boxes contain portraits of the speakers. The first box shows a man in a suit and glasses, identified as Dr. Niladri Choudhuri, President of the Green Computing Foundation. The second box shows a woman with long dark hair, identified as Dr. Surabhi Prakash, Executive Director of the Green Computing Foundation. Below the portraits, the text 'Beneficiaries : I Semester MCA 'B' Section students' is written in a light blue font. At the bottom, three icons are used to provide event details: a calendar icon for the date '20th JAN 2025', a clock icon for the time '01:30 PM to 04:30 PM', and a location pin icon for the venue 'Venue : 243'.
