

# Student Achievement

**Date:** 28th February 2025

**Event Name:** Student National Seminar 2K25 (SNS)

## About

## the

## Event:

The **Student National Seminar 2K25 (SNS)** was organized by **St. Francis De Sales College, Bengaluru** under the **Research and Development Cell**. As part of the **Computer Science & Applications** theme titled **"Technology for a Better Tomorrow: Challenges and Opportunities"** the event provided a platform for undergraduate and postgraduate students to present their research ideas, fostering critical thinking, innovation, and effective communication in the field of technology.

## Achievement:

The team comprising **Kavana Reddy M, Himashree A.M, and Likitha S Reddy** participated in the Computer Science and Applications seminar, which focused on the theme "Technology for a Better Tomorrow: Challenges and Opportunities." They presented on the topic *EcoSort AI*, securing **second place** and winning a **cash prize of ₹1500**.
