Dr.A.Srinivas  
Dean, School of Engineering

Dear Students,

Greetings from the School of Engineering.

As you are aware, the (Aug – Dec 2020) semester started on 03 August 2020. In view of the current Pandemic situation, the student engagement has been on-line. We expect that UGC and other government regulatory bodies will permit our campus to start functioning face-to-face by 1<sup>st</sup> October 2020. We are very eager to have students on-campus.

We have tried our best in contacting the students who are eligible to resume their studies after a year drop. If in case a few students have not reported to resume their studies, I hereby request such students to immediately report to the respective Chairperson, pay the prescribed fees and start attending the classes.

Please treat this as extremely urgent.

Regards,
