Bengaluru-560078

ABOUT THE COLLEGE

Dayananda Sagar Institutions was established in 1960s by visionary, late Sri Dayananda Sagar who was committed to take knowledge to the people and to transform present day students into responsible citizens and professional leaders of tomorrow. Dayananda Sagar University came into existence in 2014 and is meeting the needs of quality higher education in the state of Karnataka.

College of Pharmaceutical Sciences (COPS), Dayananda Sagar University (DSU), Bengaluru was started in the year 2015-2016 under the auspice of Mahatma Gandhi Vidya Peeta Trust to cater to the needs of Pharmacy Education at graduate and postgraduate level and these programs are recognized by AICTE and PCI, New Delhi. The 6 years Pharm.D. programme was started in the year 2012-2013 and is approved by Pharmacy Council of India, New Delhi. The college is housed in a sprawling lush green campus with an imposing new building named "Dr. C.D. Sagar, Center for Life Sciences". The new building has added an extra dimension to the existing infrastructure with most conducive atmosphere with the state of the art instructional facilities, sophisticated equipment and research facilities.

The department of pharmacy practice, College of Pharmaceutical Sciences, DSU is attached to Sagar Hospitals, Bengaluru, provides professional educational opportunities for students to enable them to practice pharmaceutical care, adapt to changing professional roles, use new technologies, assume leadership roles in a dynamic health-care environment and contribute new knowledge to the profession. The department with top class infrastructure and facilities focuses on providing in depth knowledge, clinical skills, developing attitude, responsibilities and promoting professionalism to the future leaders of health care profession. Activities of department covers a wide spectrum of care and services including adverse drug reaction (ADR) monitoring & reporting, drug interaction checking, patient counselling, ward round participation, medical history interview/review, drug & poison information and clinical intervention.

ABOUT SAGAR HOSPITALS

The Sagar Group ventured into healthcare services under the capable leadership of Dr. Chandramma Sagar. With the mission to offer world class Healthcare services with an emphasis on quality, efficiency and reliability, Sagar Hospitals have set high standards based on these parameters with two tertiary care multi-specialty hospitals. The first hospital was launched on 24th July, 2002 at Jayanagar, Bengaluru. Six years later, the most advanced hi-tech hospital in the country was launched at Banashankari, Bengaluru, equipped with state-of-the-art medical technology. From a courageous start as one of Bengaluru's first luxury multi-specialty hospitals, we have grown to become one of the most recognized and trusted household names in the healthcare sector today.
