Hosur Main Road, Kudlu Gate, Bengaluru - 560 068

Department of Computer Science and Technology

Report on Engineer's Day

Event Name: CST PROJECT EXPO 2023

Date: 15/09/2023

Time: 01:30 PM – 04:30 PM

Venue: G-016, B-Block, DSU-Kudlu gate.

DAYANANDA SAGAR UNIVERSITY
Department of Computer Science & Technology

cordially invite you to celebrate
ENGINEER'S DAY

On this occasion we are conducting the following events:

- > "Techie's Treasure Trail"
- > "Quizapalooza: Celebrating Engineers' Day"
- > "Engineer Your Idea: Celebrate with Innovation"

Date: 15/09/2023
Time: 01:30 PM - 4:30 PM
Venue: B Block , G-016

Organizer
Dr. D. Sudha
Associate Professor, CST
Prof. Nivetha N R P
Assistant Professor, CST

Chairperson
Dr. M Shahina Parveen
Professor & Chairperson
CST, DSU.

Convener
Dr. Uday Kumar Reddy K R
Dean-School of Engineering, DSU.
Dr. M Shahina Parveen
Professor & Chairperson
CST, DSU.

Objectives of the event:

1. To celebrate the diverse backgrounds, experiences, and perspectives that engineers bring to the table, promoting inclusivity within the engineering community.
2. To motivate engineers by showcasing success stories, highlighting achievements, and setting ambitious goals for the future.
3. To raise awareness about the importance of engineering in solving real-world problems and improving society's quality of life.
4. To inspire engineers to continue their pursuit of excellence and innovation in their respective fields.

Outcomes of the event:

1. Engineers' Day events provide opportunities for engineers to connect with colleagues, peers, and leaders in their field. This can lead to improved collaboration, knowledge sharing, and the formation of valuable professional relationships.
2. Seminars, and interactive sessions held during the celebration can contribute to the professional development of engineers, helping them acquire new skills and knowledge relevant to their work.
3. Team-building activities and interactions during the celebration can strengthen team cohesion and foster a sense of unity among engineering teams.
4. Engineers' Day celebrations can raise awareness about the importance of engineering in society and highlight the impact of engineering solutions on everyday life.

Summary:

Engineers' day event started at 01:30 PM and the students were addressed by the department chairperson Dr. M. Shahina Parveen about the significance of the day and shared insights into the role of engineers in shaping the future of technology and society. The speech emphasized the importance of innovation, sustainability, and ethical engineering practices. Total 34 students actively participated in the event. To encourage young engineering talents, various competitions such like technical quiz, sticker or meme presentation and treasure hunt were conducted. All students have teamed up and actively participated in all the events. Distributed prizes for the winning teams in the event. We extend our sincere thanks to all the participants, and volunteers who made the Engineers' Day event a grand success.

Report on Teachers' Day 2024

Date - 05/09/2024

Timings: 3:10pm to 4:30 pm

On Teacher's Day 2024, we gathered to honor and celebrate the unwavering dedication and exceptional contributions of our educators. The day was marked by heartfelt speeches, recognition of academic achievements, and a variety of engaging activities, all aimed at expressing our deepest appreciation for the teachers who guide and inspire us every day.

Event Overview

The celebration commenced with a warm welcome from our hosts, Ritvik and Neha.

- Ritvik - Welcomed everyone and highlighted the significance of the day in honoring educators.
- Neha - Joined in welcoming the attendees and set the tone for the day's celebrations.

Following this, the Head of the Department, Ms. Jayavrinda, delivered an inspiring welcome speech, officially commencing the event.

Recognition of Academic Achievements

The core of the celebration was dedicated to honoring the outstanding academic achievements of our faculty members.

It started off with the Dean of Academics and Associate Dean delivering speech on teachers day

The teachers who had published significant papers and books over the past year were recognized for their contributions:

1. Proff. Joshuva- shared insights into his recently published paper.
2. Proff. Subhash- discussed his research and its impact.
3. Proff. Monika - elaborated on her notable contributions in her field.
4. Proff. Shreyas- highlighted the key points of his latest work.
5. Proff. Sriram- provided an overview of his research.
6. Proff. Jeevaraj- rounded off the segment with a discussion of his significant publications.

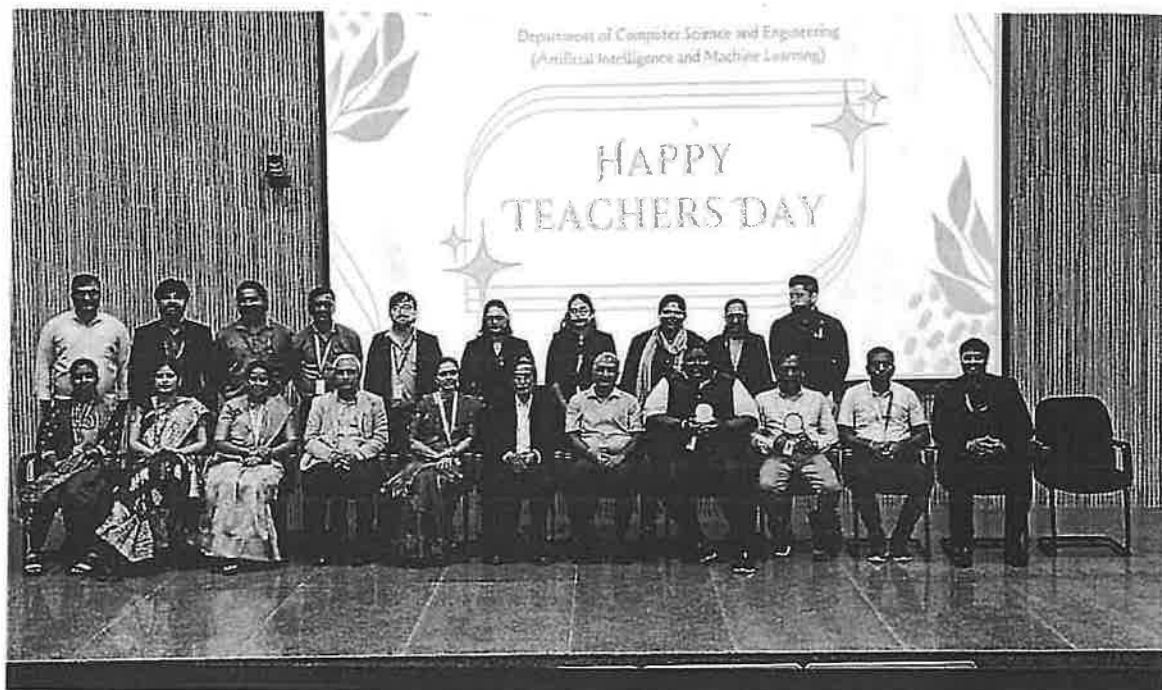

Each presentation was met with applause, acknowledging the hard work and dedication of our esteemed educators. The teachers were given mementos as token of appreciation from the department

The concluding segment featured a captivating performance by Deepshitha, whose melodious song beautifully set the mood for the occasion.

Token of Appreciation

To express our gratitude, gifts were presented to the dean and all the teachers. The gesture was a small token of our appreciation for their relentless efforts and significant contributions to education. From the department of AI-ML where teachers were gifted a mug with the funds raised by students

Entertainment and Fun

The event also featured a range of entertaining activities:

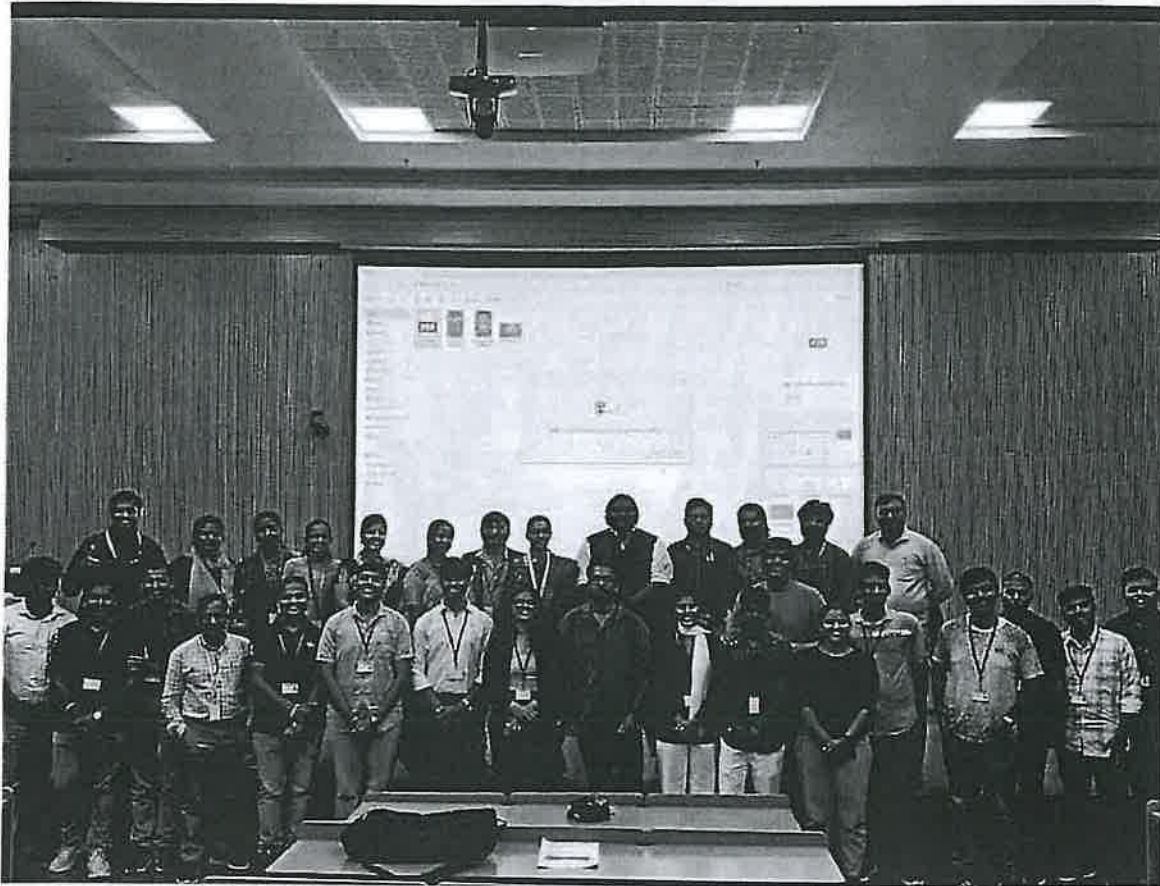

Where a chocolate cake was arranged for teachers to cut the cake from the department's side and music was played

Conclusion

As the day drew to a close, Ritvik , Neha and Chethan expressed their heartfelt thanks to all the teachers for their immense contributions and to the audience for their participation. The event underscored the importance of recognizing and celebrating our teachers not just on Teacher's Day, but every day.

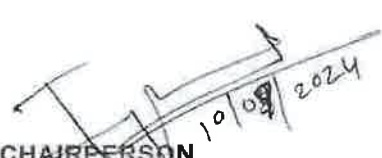

Final Remarks :

The Teacher's Day 2024 celebration was a resounding success, filled with moments of joy, recognition, and entertainment. We extend our deepest gratitude to all who contributed to making this day memorable. Let us continue to honor and appreciate our teachers for their dedication and impact on our lives.

Report on ONAM Festival Celebration 2024

Event Date:19-Septmber-2024

Event Venue-CSE (AI & ML)

Faculty Co- Ordinator – Prof.Rakshita R & Prof. D Yaso Omkari

Student Co-Ordinator – Henna Basheer(ENG22AM0098) & Mathew Alex(ENG22AM0098)

The Onam festival celebration organized by the Department of Computer Science and Engineering (AI & ML) at Dayananda Sagar University on 19th September 2024 was a grand and colourful event. The program commenced with an inspiring speech from the Chairperson Dr. Jayavrinda Vrindavanam, who highlighted the cultural significance of Onam as a harvest festival celebrated with much fervor across Kerala. She encouraged the students and faculty to embrace the rich traditions associated with the festival, emphasizing the importance of cultural diversity and community spirit in the academic environment. The Chairperson's words set the tone for the celebration, making it a meaningful occasion for everyone present.

Following the Chairperson's address, the students showcased their talents through a variety of performances that captured the essence of the Onam festivities. A group of students sang traditional Onam songs, filling the air with festive energy and nostalgia. The students' performance was followed by a lively dance routine that depicted the joyful spirit of Onam, with participants donning vibrant traditional attire. The dance, accompanied by rhythmic music, was a visual treat and brought the audience into the celebratory mood. Additionally, some students shared their

thoughts on the significance of Onam, explaining its cultural and historical importance, further enriching the celebration with personal reflections and stories.

Figure 1: Faculty celebrate Onam Festival

The event was made even more special by the fact that both students and faculty members wore traditional Kerala attire, reflecting the true spirit of Onam. The vibrant colors of the dresses added a festive touch to the entire venue, creating a lively

and welcoming atmosphere. The traditional attire brought a sense of unity and cultural pride among the participants, allowing them to celebrate the festival as a community. The Onam celebration was not only a fun-filled event but also a reminder of the importance of cultural heritage, making it a memorable day for both students and faculty of the CSE (AI & ML) department at Dayananda Sagar University.

Report on DUSSEHRA Festival Celebration 2024

Event Date: 10th October -2024

Event Venue-CSE (AI & ML)

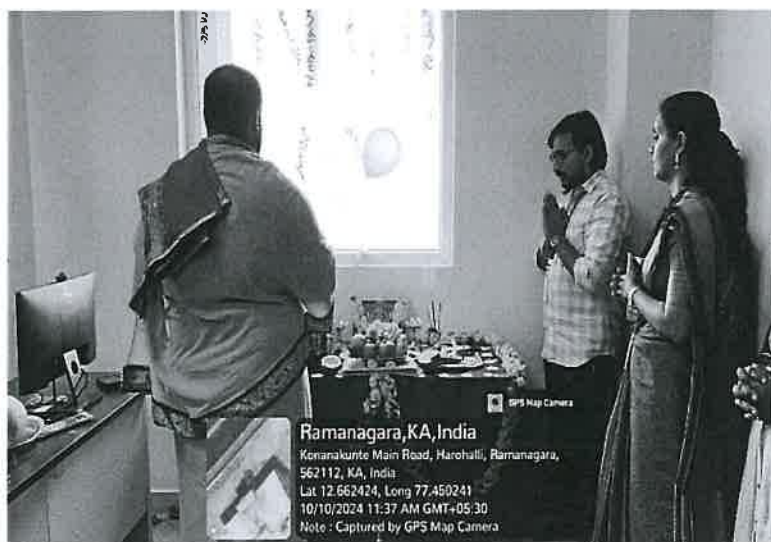

Faculty Co- Coordinator – All Staffs.

Student Co-Ordinator – All Current Semester Students.

Figure 1: Invitation Card

The Dussehra celebration organized by the Department of Computer Science and Engineering (AI & ML) at Dayananda Sagar University on 10th October 2024 began with a traditional and sacred Pooja ceremony. The ceremony included the lighting of the lamp and performing of Aarti, which created a serene and spiritual atmosphere. Following the Pooja, the Prasadam was distributed among students and faculty, symbolizing the blessings of the festival. The ritualistic prayers and the distribution of Prasadam set the tone for the rest of the celebration, invoking the blessings of Goddess Durga and marking the triumph of good over evil, which is the essence of Dussehra.

After the religious proceedings, the Chairperson of the department addressed the gathering. She shared her thoughts on the significance of Dussehra, emphasizing its cultural importance and how it celebrates the victory of good over evil, a theme that resonates with personal growth and overcoming challenges. Her speech encouraged students to reflect on the values of bravery, righteousness, and perseverance that Dussehra teaches, while also fostering a sense of unity and togetherness within the university community. The Chairperson's words were a reminder to all present of the deeper meanings behind the festival and its relevance in today's world.

The celebration continued with performances by the students, who added a vibrant and festive touch to the event. A group of students sang traditional songs, filling the air with joyous melodies that captured the essence of the festival. In addition, several students shared their thoughts on the significance of Dussehra, narrating personal experiences and explaining how the festival teaches the importance of virtue, knowledge, and inner strength. The event was further enhanced by the fact that both students and faculty wore traditional attire, adding to the festive atmosphere and promoting a sense of cultural pride. The Dussehra celebration was a perfect blend of tradition, culture, and togetherness, making it a memorable day for all participants in the CSE (AI & ML) department at Dayananda Sagar University.

College of Pharmaceutical Sciences Dayananda Sagar University

Kumaraswamy Layout, Bengaluru - 78

7.1.11

Institution celebrates/Organises national and International Commemorative days, events and festivals.

1. **Mental Health:** The College of Pharmaceutical Sciences at Dayananda Sagar University, in collaboration with Brave Talk, conducted a vital mental health awareness session on 7th November, 2023. In Coordination with COPS, DSU, and the Maybelline New York- Brave Together India Initiative organized a session for our students primarily focused on Mental Health, Anxiety, and Stress. Renowned Psychiatrist Dr. Vaishnavi addressed the audience, emphasizing the significance of mental well-being.
2. **Leprosy Awareness Program:** The College of Pharmaceutical Sciences organized Leprosy awareness programme on 30th January 2024. Leprosy has been historically accompanied by stigma, discrimination, and misconceptions. Awareness programs help dispels these myths by providing accurate information about the disease, its causes, symptoms, and treatment. By fostering understanding and empathy, stigma can be reduced, enabling affected individuals to lead fulfilling lives within their communities. To erase misconceptions about the disease and bring about awareness in the society, an event was organised in conjunction with Pharmacy professionals, Medical Professionals with the theme- "BEAT LEPROSY".
3. **Pulse Polio Immunization Program:** College of Pharmaceutical Sciences, Dayananda Sagar University, exhibited outstanding dedication and support by sending 90 students to the Pulse Polio immunization Programme conducted by PHC, KS Layout, Bengaluru from 3rd to 6th March 2014. Students of COPS received training from the medical team of PHC about the accurate administration of the Polio vaccine. They also helped to organize vaccination booths, manage queues, and provided support to ensure smooth implementation of the vaccination drive. Students participated in data collection activities, conducted surveys, or assisted in assessing vaccination coverage rates to identify areas that need further attention. Medical team of PHC at KS Layout had appreciated the relentless efforts of the students in making the vaccination drive a huge success.
4. **Pharma Anveshan:**
The college of Pharmaceutical Sciences, DSU in collaboration with PCI New Delhi, conducted "PHARMA ANVESHAN-2024" Leveraging synergism: Industry-Academia Partnership for Implementation of National Education Policy, 2020, a tribute

to 122nd Birth Anniversary of Prof. Mahadeva Lal Schroff, father of Pharmacy Education in India on 6th March, 2024

5. CPR Awareness Program-Learn Life saving skills: The College of Pharmaceutical Sciences, Dayananda Sagar University, held a Workshop on CPR awareness was held at COPS, DSU on 30th of October. Health experts from Manipal Hospitals were involved in teaching the techniques to carry out CPR to the Pharm D students. The event was supported by the Deccan Herald, Prajavani media and sideways 6 event management. CPR training and awareness initiatives are vital for equipping individuals with the knowledge and skills to respond effectively in cardiac arrest situations. With a half-million cardiac arrests each year, CPR increases the likelihood of surviving cardiac arrest, when the heart stops beating or beats too ineffectively to circulate blood to the brain and other vital organs. Events like these not only contribute to building a more health-conscious community but also foster a sense of responsibility and preparedness among participants.

6. **Tuberculosis Awareness Program:**

The Department of Pharmacy Practice at the College of Pharmaceutical Sciences, DSU, conducted a Tuberculosis awareness program aimed at advancing healthcare in India on 08/04/2024. The program highlighted the complexities and challenges of TB treatment and aimed to equip participants with a deeper understanding of TB management. Dr. Anil Singarajipura, Director STDC & In charge Joint Director, Lady Willingdon State TB Centre, Bengaluru, delivered an illuminating presentation that inspired the participants and equipped them with the knowledge to impact public health positively. The commitment of the College of Pharmaceutical Sciences, DSU, towards raising awareness of health issues such as TB is a testament to its dedication to advancing healthcare in India.

About the Event:

The College of Pharmaceutical Sciences at Dayananda Sagar University, in collaboration with Brave Talk, conducted a vital mental health awareness session on 7th November, 2023. In Coordination with COPS, DSU, and the Maybelline New York- Brave Together India Initiative organized a session for our students primarily focused on Mental Health, Anxiety, and Stress. Renowned Psychiatrist Dr. Vaishnavi addressed the audience, emphasizing the significance of mental well-being. The event aimed to destigmatize mental health issues and encourage open discussions. Dr. Vaishnavi's insightful presentation covered stress management, anxiety, and the importance of seeking professional help. The interactive session facilitated student engagement, fostering a culture of empathy and understanding. Brave Talk representatives provided additional resources, reinforcing the university's commitment to holistic student well-being. This collaborative effort signifies the university's dedication to creating a supportive campus environment that prioritizes mental health awareness and empowers students to navigate challenges effectively. The College of Pharmaceutical Sciences looks forward to organizing future initiatives that contribute to a mentally healthy campus community.

1. Dr. Mahadevamma L, HOD, Department of Pharmacy Practice, COPS
2. Dr. Mudigubba Manoj Kumar, Assist. Professor, COPS, DSU.
3. Dr. Chinju Susan Chacko, Assistant Professor, COPS
4. Dr. Lita Susan Thomas, Assistant Professor, COPS

Outcomes:

1. This program can educate the students about the importance of mental health, how to overcome stress, how to manage stress at a younger age etc.,
2. It enlightens the students about sleep and its impact on stress.
3. It encourages the students to low utilize the gadgets and increase social responsibilities and accountability in their lives.

Summary:

Dr. Pravallika S, Ph.D. scholar, anchored the whole session and welcomed the audience.

Dr. Mahadevamma L gave the welcome address to the audience, followed by the introductory remarks by **Dr. Kalpana D**, Professor, COPS, DSU.

Session – 1: 02:00 PM-04:00 PM:

Dr. Vaishnavi addressed the audience, emphasizing the significance of mental well-being. The speaker aimed to destigmatize mental health issues and encourage open discussions. WHY RAISE AWARENESS??

With over 200,000 new cases reported annually, leprosy remains one of the neglected tropical diseases (NTDs), occurring in over 120 countries.

World Leprosy Day is observed to raise awareness among the general public about the disease's stigma and its easy cure.

"Leprosy-free India" is the vision of the National Leprosy Eradication Programme (NLEP), which was introduced in 1983.

The Leprosy Awareness programme of COPS, DSU aims to raise awareness about Leprosy, and People affected by leprosy who are often discriminated against and stigmatized. This situation has a negative impact on access to diagnosis, the result of treatment and the result of care, in addition to violating civil, political and social rights. Ending discrimination, stigma and prejudice is essential to end leprosy.

JOIN US

In creating awareness on "Discrimination of leprosy patients in public" by participating in the competitions.

About College of Pharmaceutical Sciences (COPS):

Dayananda Sagar College of Pharmacy was started in 1981 to cater to the needs of Pharmacy Education in India under Rajiv Gandhi University of Health Sciences, Karnataka. In the year 2015, the institution was renamed as "College of Pharmaceutical Sciences" and merged as a branch of School of Health Sciences, affiliated with Dayananda Sagar University. The college is recognized by PCI, New Delhi; and the Government of Karnataka; It is also a recognized Scientific and Industrial Organization by DSIR, Govt of India. The institute also offers B. Pharm, M. Pharm, Pharm D, and Ph.D. programs in Pharmaceutical Chemistry, Pharmacology, Pharmaceutics, Pharmacognosy, and Pharmaceutical Analysis. The College has a vibrant clusters of innovation ecosystems focused on drug discovery and development. It also has an excellent pharmacy practice department dedicated for the betterment of health care community in association with Sagar hospitals.

About Dayananda Sagar University (DSU):

DSU is a proud member of the Dayananda Sagar Institutions family. Founded by Late Sri Dayananda Sagar in the early sixties (with just four students), DSI has morphed into global education powerhouse, spread over five campuses, catering to the education needs of over 17,000 students. Operating under the aegis of the Mahatma Gandhi Vidya Peth Trust in Bengaluru, DSI has enabled the transformation of tens of thousands of young Indian and international citizens into professionals in diverse specializations such as Engineering, Computer Applications, Health Sciences, Arts and Management in the Bachelors, Masters and Ph.D. levels. Supporting the academic activities are the Centers of Excellence in ICT, Health Care, Energy and Life Science, among other fast evolving fields of study. Research, Innovation and Incubation (spread over 25,000 sqft of industry quality labs) form the core of DSU.

Date: 19-1-2024

Circular No.: COPS/NSS-19-01-24

CIRCULAR

Leprosy, though often misunderstood, is a curable disease. However, the social stigma surrounding it persists, hindering individuals from seeking timely treatment and support. Hence, it becomes our collective responsibility to dispel myths and foster an environment of understanding and acceptance. In order to raise awareness of the signs and symptoms of the disease, and tackle the stigma that too often surrounds leprosy, COPS, DSU proposes to celebrate " **Leprosy Awareness Programme**" on **30th January, 2024** at **CD Sagar Building**. To mark this occasion, we have planned a series of events aimed at educating, engaging, and advocating for those affected by leprosy. Let us build an inclusive society where being diagnosed with leprosy, or having once had leprosy, is not an issue.

All students and faculty are requested to participate in " **Leprosy Awareness Programme** " enthusiastically and make the event a huge success

EVENT REPORT

EVENT: "LEPROSY AWARENESS PROGRAMME"

REF: COPS-NSS_30-01-2024

Date and time of Event: 30th January 2024, 10:00 AM-04:00 PM

Venue: CD Sagar Building (Ground floor)

Resource Person:

Name: Dr. Vishwanatha T

Designation: Assistant Professor

Department of Microbiology

Maharani Cluster University

Bengaluru-580001

About the Event:

Leprosy has been historically accompanied by stigma, discrimination, and misconceptions. Awareness programs help dispels these myths by providing accurate information about the disease, its causes, symptoms, and treatment. By fostering understanding and empathy, stigma can be reduced, enabling affected individuals to lead fulfilling lives within their communities. To erase misconceptions about the disease and bring about awareness in the society, an event was organized in conjunction with Pharmacy professionals, Medical professionals with the theme- "BEAT LEPROSY". The event began by welcoming the Chief Guest Dr. Vishwanatha T, Assistant Professor, Microbiologist from Maharani Cluster University with floral bouquet by Ms. Ayesha of Pharm D. Principal of COPS, NSS Coordinator and HOD of Pharmacology department were also welcomed with floral bouquet. Respected Principal Dr. N.M Raghavendra, had enlightened with his words about the aetiology and stigmatization of Leprosy patients. Chief guest Dr. Vishwanatha T elaborated the role of M.Leprae in the causation of Leprosy and discussed about the government initiatives in spreading awareness to prevent discrimination and misconception about leprosy. NSS Coordinator Dr.K.Sunil Kumar mentioned about how individuals

College of Pharmaceutical Sciences
Dayananda Sagar University
Kumaraswamy Layout, Bengaluru -560111

suffering from leprosy are ill treated in the society. The chief guest and the Principal unveiled the calendar of the year which includes facts about leprosy. The calendars were distributed to all the teaching and non-teaching staff members. Students actively participated in Poster presentations and Quiz competition. The event was followed by a visit to the Leprosy Hospital, Bengaluru by COPS students where they distributed Leprosy Calender to the doctors and nursing staff. A Validictory was organized and prizes were awarded for the students by the Chief guest.

No. of students Participated: 36

Convener:

Dr. K.Sunil Kumar, NSS Coordinator COPS, DSU

Outcomes:

Leprosy awareness programs educate people about the early signs and symptoms of the disease, encouraging them to seek medical assistance promptly. Early intervention can prevent the progression of the disease and minimize its impact on individuals and their families.

Summary:

Miss Ayesha anchored the whole session and she welcomed Chief Guest and Principal

Dr. N.M. Raghavendra, welcomed the gathering with the opening remarks. He emphasized the importance of day and thanked the guest who graced the day with their presence.

Course of the event:

1. Welcome and introduction
2. Adress by the Principal, Chief Guest and NSS Coordinator
3. Yearly Calender release by the Chief guest
4. Distribution of Calenders to the Teaching and non teaching staff members by the Chief guest.
5. Poster Presentations
6. Quiz Competetion

N.M. Raghavendra

7. Valedictory
8. Vote of Thanks
9. Visit to Leprosy hospital by COPS and distribution of calendars to doctors and nursing staff.

Dr. Sunil Kumar Kadiri gave vote of thanks, he expressed the gratitude to the Resource Person, Management, Consultant Physicians, Principal and Participants.

PULSE POLIO IMMUNIZATION PROGRAMME

College of Pharmaceutical Sciences, Dayananda Sagar University, exhibited outstanding dedication and support by sending 90 students to the Pulse Polio immunization Programme conducted by PHC, KS Layout, Bengaluru from 3rd to 6th March 2014. Students of COPS received training from the medical team of PHC about the accurate administration of the Polio vaccine. They also helped to organize vaccination booths, manage queues, and provided support to ensure smooth implementation of the vaccination drive. Students participated in data collection activities, conducted surveys, or assisted in assessing vaccination coverage rates to identify areas that need further attention. Medical team of PHC at KS Layout had appreciated the relentless efforts of the students in making the vaccination drive a huge success.

About the Event:

The College of Pharmaceutical Sciences at Dayananda Sagar University, in collaboration with Pharmacy Council of India (PCI) New Delhi, conducted "PHARMA ANVESHAN-2024" Leveraging Synergism: Industry-Academia Partnership for Implementation of National Education Policy, 2020, a tribute to 122nd Birth Anniversary of Prof. Mahadeva Lal Schrof, Father of Pharmacy Education in India on 6th March, 2024.

In continuation to celebrate PHARMA ANVESHAN 2024, a guest lecture was organized in which **Prof. S RAMACHANDRA Setty**, Director, R&D, RGUHS & Central Council Member, PCI, **Dr.B. G Nagavi** Founder CEO & Senior Consultant Higher Education Skill Development and Rese (HESDAR) Center, Mysuru and **Dr. Badrinath** Technical Project Leader Elanco Animal Health Inc, India have delivered expert talk and MANY EMINENT PERSONALITIES from Pharmaceutical Industries and Academia.

College of Pharmaceutical Sciences Dayananda Sagar University

Kumaraswamy Layout, Bengaluru -78

The eminent speakers have given the expert talk regarding how Pharmaceutical Education can be a good carrier and how to hold the way for success in your field. Students should have competition encourages creative expression, awareness on pharmaceutical innovation, effective communication and multidisciplinary approaches. The lecture was an interactive session, where attendees had the opportunity to seek clarification, share their experiences, and engage in meaningful discussions with **Prof. S RAMACHANDRA Setty, Dr.B. G Nagavi. And Dr. Badrinath.** The openness to questions and willingness to share knowledge enriched the learning experience for all participants.

In order to enrich the students' understanding, an orientation competition and quiz competition on "Pharmacy Education in India- Present Scenario" to focusing on pharmacy knowledge was organized for both M. Pharmacy, B. Pharm and D. Pharm students. The competition, facilitated by Ms. Seema S. Rathore, Assistant Professor at the College of Pharmaceutical Sciences, DSU, served as an engaging platform for testing and enhancing their knowledge in the field.

In continuation, the introductory note was given by Head of the Institution, **Dr. N.M. Raghavendra**, enlightening the various important of Prof. Mahadeva Lal Schroff in establishing the Pharmacy Education in India.

More than 200 students have been benefited by the expert talk in the form of knowledge, facts and information in the integration of various disciplines such as science, technology, and entrepreneurship. A quiz competition was conducted among the students on "Industry-Academia Partnership for Implementation of National Education Policy, 2020" and collectively contribute to the educational and professional development of participants; align with the subject knowledge and experience. The event was also attended by the respective HODs and the Faculty members.

Finally, as a gesture of appreciation, the guest was presented with a shawl and a memento by the host organization. This thoughtful act served to express gratitude and honor towards the guest for their presence and contribution.

The program concluded with a vote of thanks delivered by **Dr. Kranthi Kumar K- Convener- PHARMA ANVESHAN 2024.** In his expression of gratitude, **Dr. Kranthi Kumar K** extended appreciation to all participants, speakers, and organizers for their valuable contributions and efforts throughout the event.

No. of students Participated: 200

CIRCULAR

This is to inform that a workshop on "CPR awareness" will be held at COPS, DSU on 30/10/2023 at 11:00 AM. Health experts from Manipal Hospitals are going to teach our Pharm D students the techniques to carry out CPR. The event will be supported by the Deccan Herald, Prajavani media and sideways 6 event management.

Pharm D students and staff members are cordially invited to actively engage in this extensive awareness effort and contribute to its resounding success.

EVENT REPORT

CPR AWARENESS PROGRAM

REF: COPS-NSS_31/10/2023

Date and time of Event: 30th October, 2023, 11:00 AM

Venue: Dr. CD Sagar Building

About the Event: (100 words)

A workshop on "CPR awareness" was conducted at COPS, DSU on 30/10/2023. Pharm D students received instruction from health specialists from Manipal Hospitals on the proper methods for performing CPR. The event received support from Deccan Herald, Prajavani media, and sideways 6 event management. Cardiopulmonary resuscitation (CPR) improves the chances of survival during cardiac arrest, a condition characterized by the cessation of heart function or insufficient blood circulation to the brain and other essential organs. With approximately 500,000 cases of cardiac arrest occurring annually, CPR plays a crucial role in increasing the odds of survival. It is not limited to healthcare professionals and emergency responders. Bystanders taking action can significantly increase the likelihood of survival, with CPR potentially increasing or even tripling the probability of survival.

No. of students Participated: 45

Faculty Coordinator:

Dr. K.Sunil Kumar (COPS)

Outcomes:

1. Survival rates from sudden cardiac arrest vary significantly across the globe. In countries with higher CPR training rates and public awareness, survival rates are notably better. By implementing widespread CPR training programs and increasing public awareness, more individuals can become potential lifesavers in their communities.

2. CPR is a simple yet effective technique that can be performed by individuals with minimal training. Its accessibility and ease of use make it a vital intervention, particularly in areas with limited access to advanced medical facilities.

PRINCIPAL

DAYANANDA SAGAR UNIVERSITY

School of Health Sciences

College of Pharmaceutical Sciences

Kumaraswamy Layout, Bengaluru -560111, Karnataka, India

3. Cardiac arrest is a significant public health concern, contributing to a considerable burden of disease globally. By implementing CPR training initiatives, public health authorities can make a profound impact on cardiac arrest outcomes
4. Integrating CPR training into school curriculums can create a generation of future lifesavers. Teaching children basic CPR skills not only prepares them to respond to emergencies but also instills a sense of responsibility towards the well-being of others.
5. In many regions, health disparities contribute to varying health outcomes. By implementing targeted CPR training programs in underserved communities, health organizations can address some of these disparities and work towards achieving health equity.

Summary:

CPR awareness Program started at 11:00 AM by welcoming the medical specialists from the Manipal Hospital to COPS, DSU. NSS coordinator introduced the medical team to the staff members and students of COPS. The experts briefed about the significance of CPR in saving lives during cardiovascular complications. A female expert taught the students how to carry out chest compressions and mouth to mouth resuscitations by using a CPR dummy. Later individual students practiced CPR chest compression techniques and resuscitation with the dummy. Principal of COPS, Dr. NM Raghavendra, praised student's participation in the training, and said, "Anyone can suffer from cardiac arrest at any given point in time and enhanced knowledge and training will aid in administering the right procedures and save a life." The event was concluded by NSS coordinator by giving vote of thanks and expressing to the medical experts, event managers, Principal and the participants.

INTRODUCTION

Tuberculosis (TB) is a contagious bacterial infection caused by *Mycobacterium tuberculosis*. It primarily affects the lungs but can also affect other parts of the body such as the brain, kidneys, or spine.

India has set ambitious goals and a comprehensive vision to eliminate tuberculosis (TB) as a public health problem. The Indian government's vision for TB eradication is outlined in its National Strategic Plan for Tuberculosis Elimination (NSP) and aligns with global targets set by organizations such as the World Health Organization (WHO).

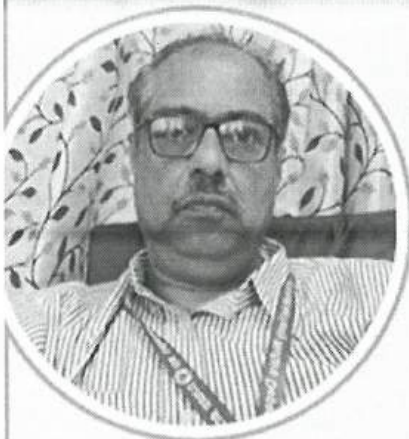

OBJECTIVE

- To create a public awareness about devastating health, social and economic consequences of tuberculosis (TB) and to step up efforts to end the global TB epidemic
- To create an awareness of resistant strains of TB (MDRTB, XDRTB, etc.)

OUTCOME

- To educate people about the impact of TB around the world
- TB awareness programs educates people about the importance of completing the entire course of treatment, thereby improving adherence and reduces the likelihood of drug resistant TB
- TB awareness programs reduces the stigma associated with TB.

About College of Pharmaceutical Sciences (COPS):

Dayananda Sagar College of Pharmacy was started in 1981 to cater to the needs of Pharmacy Education in India under Rajiv Gandhi University of Health Sciences, Karnataka. In the year 2015, the institution was renamed as "College of Pharmaceutical Sciences" and merged as a branch of School of Health Sciences, affiliated with Dayananda Sagar University. The college is recognized by PCI, New Delhi; and the Government of Karnataka; It is also a recognized Scientific and Industrial Organization by DSIR, Govt of India. The institute also offers B. Pharm, M. Pharm, Pharm. D., and Ph. D. programs in Pharmaceutical Chemistry, Pharmacology, Pharmaceutics, Pharmacognosy, Pharmaceutical Analysis, and Pharmacy Practice. The College has a vibrant cluster of innovation ecosystems focused on drug discovery and development. It also has an excellent pharmacy practice department dedicated for the betterment of health care community in association with Sagar hospitals.

About Dayananda Sagar University (DSU):

DSU is a proud member of the Dayananda Sagar Institutions family. Founded by Late Sri Dayananda Sagar in the early sixties (with just four students), DSI has morphed into global education powerhouse, spread over five campuses, catering to the education needs of over 17,000 students. Operating under the aegis of the Mahatma Gandhi Vidya Peth Trust in Bengaluru, DSU has enabled the transformation of tens of thousands of young Indian and international citizens into professionals in diverse specializations such as Engineering, Computer Applications, Health Sciences, Arts and Management in the Bachelors, Masters and Ph.D. levels. Supporting the academic activities are the Centers of Excellence in ICT, Health Care, Energy and Life Science, among other fast evolving fields of study. Research, Innovation and Incubation (spread over 25,000 sq ft of industry quality labs) form the core of DSU.

**DEPARTMENT OF PHARMACY PRACTICE
CIRCULAR**

Tuberculosis (TB) is a contagious and potentially fatal bacterial infection that primarily affects the lungs but can also affect other body parts. The Department of Pharmacy Practice, recognizing the importance of this global health issue, is organizing “**World Tuberculosis Day**” with the theme Yes! We can end TB! This event is about creating public awareness and our collective effort to address the health, social, and economic consequences of tuberculosis and its various strains.

Your presence and active participation are key to making this event a grand success. We welcome all faculties and students to attend the talk, contributing to our collective effort in raising awareness about tuberculosis.

Event – Tuberculosis awareness program- Empowering Communities, Uniting To End TUBERCULOSIS!

Date and time - 08/04/2024, 10:00am - 12:00pm

Venue – C.D. Sagar Auditorium, Building no.10, KS Layout campus, DSU

About the event – The Department of Pharmacy Practice, College of Pharmaceutical Sciences, DSU, conducted a Tuberculosis awareness program entitled Empowering Communities, Uniting To End TUBERCULOSIS on 08/04/2024. The event commenced with an introductory remark by Dr. Pravalika S, Ph.D. Scholar, Department of Pharmacy Practice, followed by a warm welcome address by Dr. Kalpana Divekar, Professor, Department of Pharmaceutical Chemistry, College of Pharmaceutical Sciences.

The event speaker, Dr. Anil S, Deputy Director, STDC & In Charge Joint Director, Lady Willingdon State TB Centre, Bengaluru, known for his expertise and profound knowledge in pharmacotherapy and patient care for tuberculosis, provided a solid foundation for the discourse.

Dr. Anil commenced the talk with a comprehensive presentation that covered various aspects of TB. He provided insights into TB transmission, symptoms, and diagnosis, starting from the basics. The audience better understood how TB spreads and its impact on public health. One of the crucial segments of the event was the discussion on Multi-Drug Resistant (MDR) TB and Extremely Drug Resistant (XDR-TB). Dr. Anil shed light on the challenges posed by MDR-TB and XDR-TB, including their resistance to conventional treatments and the importance of early detection. Participants learned about the complexities of managing MDR TB cases through case discussions. Dr. Anil also shared valuable insights into the current prevalence of TB, both globally and within the state. By highlighting recent epidemiological data, he underscored the urgency of addressing TB as a public health priority. Participants were encouraged to actively contribute to TB control efforts in their communities.

The guest lecture was succeeded by a ceremony honoring Dr. Anil S for his invaluable efforts in eliminating tuberculosis.

As part of the event, a quiz competition was conducted for the enthusiastic participants, providing an interactive platform to test their knowledge on tuberculosis-related topics.

Participants left the event with a heightened awareness of TB and a renewed commitment to supporting TB prevention and control efforts. Events like these play a vital role in combating TB and improving public health outcomes by fostering collaboration between healthcare professionals.

The event concluded with a vote of thanks delivered by Dr. Mahadevamma L., Head of the Department, Pharmacy Practice, COPS, DSU.

Report on "Nurturing Bonds: Physiotherapy Enhanced Breastfeeding Support for Mother & Child"

Date: 16-08-2023

Location: BBMP Maternity Hospital, NR Colony

The breastfeeding awareness camp titled "Nurturing Bonds: Physiotherapy Enhanced Breastfeeding Support for Mother & Child" was held at the BBMP Maternity Hospital, NR Colony, with the aim of promoting and facilitating optimal breastfeeding practices among new mothers. The camp was organized by College of Physiotherapy, Dayananda Sagar University in collaboration with the hospital to provide education, guidance, and physiotherapy-enhanced support for breastfeeding mothers and their infants.

The primary objective of the camp was to raise awareness about the importance of breastfeeding and provide mothers with practical knowledge and skills to overcome breastfeeding challenges through physiotherapy techniques.

The camp commenced with informative lectures by experienced Gynaecologist Dr Anupama and Dr Bharga, Paediatrician from BBMP Maternity Hospital, NR Colony and followed by Dr Sai Bhavani and Dr Feba, Assistant Professors from COPT, DSU. The sessions covered topics such as the benefits of breastfeeding, correct latching techniques, common breastfeeding challenges, and the role of physiotherapy in addressing these challenges.

Practical demonstrations of proper breastfeeding positions and latching techniques were conducted to empower mothers with hands-on knowledge. These demonstrations were particularly helpful for new mothers who often struggle with initiating breastfeeding.

Participants had the opportunity to engage in open discussions, ask questions, and seek personalized advice from the experts. This interactive approach helped to address specific concerns and provide tailored solutions.

The "Nurturing Bonds" camp achieved its goals of promoting breastfeeding awareness and providing physiotherapy-enhanced support. Participants gained confidence in their breastfeeding abilities and learned effective techniques to address challenges. The event's impact was evident through improved understanding, positive feedback from participants, and increased willingness to continue breastfeeding.

We extend our gratitude to College of Physiotherapy, Dayananda Sagar University, the participating experts, and the BBMP Maternity Hospital for their collaborative efforts in making this event a meaningful and impactful experience for all involved.

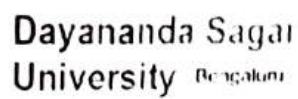

The Program co-ordinators for the camp were Dr Sai Bhavani and Dr Feba Roy

REPORT ON CME on "Inflammatory Arthritis"

IGNITE HOPE, NOT AIN: Fighting Inflammatory Arthritis Together

Date: 09-09-2023

Time: 08:45 am-1:45 pm

Number of students attended: 50

Number of teaching staff attended: 10

Total number of participants: 60

Location: AV Auditorium, Central Library, Dayananda Sagar University, Kumara Swamy Layout
Campus, Bengaluru-560011

A unique CME was organized for students and staff of the College of Physiotherapy, Dayananda Sagar University, Bangalore-Karnataka, successfully held on 09/08/2023. The CME was organised on the occasion of WORLD PHYSIOTHERAPY DAY- 2023

The CME highlighted the theme "Inflammatory Arthritis"- IGNITE HOPE, NOT AIN: Fighting Inflammatory Arthritis Together.

INAUGURATION:

The program started at 08:45 am with the formal inaugural function followed by the prayer, lighting of the lamp by Dr. Pushpa Sarkar Dean School of Health Sciences, DSU, Dr. Sathya Guruprasad Principal College of Physiotherapy, DSU, The Guest Speaker- Dr. M.N Kumar Professor, Department of Orthopedics, CDSIMER, and Judge Panelist- Ms. Dharitri Rajbangshi, Zonal Head, Physiotattva., Operations head for Corporate wellness program, Bangalore. The welcoming address was delivered by Dr. Feba Roy, Assistant Professor, College of Physiotherapy, Dayananda Sagar University, after which the overview of the theme of the CME was delivered by Principal, Dr. Sathya Guruprasad. During the inaugural function; the News Letter Vol 2. Issue 1, was released by the dignitaries. The CME program started with Guest lecture on Introduction, Medical and Surgical Management on various types of Inflammatory Arthritis by Dr. M.N Kumar Professor. After a short tea break, the Presentation sessions by Post-Graduates was held on the topic "Recent Advances in Physiotherapy Management of Various Inflammatory Arthritis" which was moderated by Ms. Dharitri Rajbangshi and Dr. M.N Kumar for which prizes were distributed. Concluding the CME, program coordinator, Dr. Radhika Chintamani, delivered the vote of thanks.

REPORT ON HAND-ON WORKSHOP: KINESIO TAPING

Date: 22-11-2023

Place: College of Physiotherapy DSU, Harohalli Campus

Number of student participants: 39

Number of alumni participants: 5

Number of students participants: 1

The College of Physiotherapy, DSU conducted Kinesio Taping workshop, tailored for undergraduate and postgraduate students along with alumni, proved to be a dynamic platform for learning. Held on 22-11-2023, the event aimed to deepen participants understanding of Kinesio taping (lower limb module1) techniques and their application in various disciplines. Dr. Vinod Kumar Associate Professor College of Physiotherapy, DSU; renowned expert in the field conducted comprehensive sessions, unravelling the intricacies of Kinesio taping. The blend of theoretical insights and practical demonstrations enriched participants' knowledge base. The workshop successfully bridged the gap between undergraduate and postgraduate students, encouraging cross-disciplinary discussions. Alumni involvement added a valuable perspective, creating a holistic learning environment.

ABOUT THE PROGRAMME

Target Audience:

Students of Bachelors, Masters & Clinicians

OBJECTIVES OF THE PROGRAMME

- TO PROVIDE PARTICIPANTS A COMPREHENSIVE UNDERSTANDING OF KINESIOTAPING TECHNIQUES AND THEIR OPPORTUNITIES IN VARIOUS HEALTH CARE AND SPORTS SETTINGS.
- TO EDUCATE THE PARTICIPANTS ABOUT THE PRINCIPLES, OBJECTIVES AND PROPER APPLICATION OF KINESIOTAPING.
- EQUIPPING THE PARTICIPANTS WITH THE KNOWLEDGE AND SKILLS OF EFFECTIVELY UTILIZING THIS THERAPEUTIC MODALITY IN THEIR PROFESSIONAL PRACTICE

EXPECTED OUTCOME OF THE PROGRAM

- KNOWLEDGE OF KINESIOTAPING PRINCIPLES
- PROFICIENCY IN SELECTION OF TECHNIQUES AND SKILLS OF K-TAPE APPLICATION
- UNDERSTANDING OF CLINICAL APPLICATION OF KINESIOTAPING FOR VARIOUS MUSCULOSKELETAL CONDITIONS

COLLEGE OF PHYSIOTHERAPY

SAVE BRAIN STROKE AWARENESS PROGRAMME

DATE 25th November 2023

TIME 10:30am to 12:30pm

VENUE Government Girls High School, Shikshakara Bhavana, Kanakapura, Karnataka 562117

The College of Physiotherapy, Dayananda Sagar University, hosted the "SAVE BRAIN" Stroke Awareness Programme on November 25, 2023, at Government Girls High School, Shikshakara Bhavana, Kanakapura. 32 students from the 4th year BPT created handcrafted posters addressing various aspects of stroke, including "What is Stroke?", "Causes of Stroke," "How it can be Prevented," "Signs and Symptoms of Stroke," "What to Do When You See a Stroke Victim," and "Treatment and Physiotherapy Management of Stroke."

Given the rising incidence of stroke in India, the aim of this event was to educate young people about stroke so they can better support their family members and relatives. Students also performed a skit to further illustrate the information presented on the posters. Dr. Sunjyoth and Dr. Feba, faculty members from COPT, DSU, highlighted the audience about the prevalence of stroke in India, emphasizing that high blood pressure is a primary cause.

The management of Government Girls High School requested to keep the posters for display in the school, and they were gladly handed over. Overall, it was a highly successful event organized by the College of Physiotherapy, DSU.

Report on "An Awareness and Screening Program on Adolescent Obesity"

Date: 29/12/2023

Venue: Karnataka Public School, Harohalli, Kanakapura Taluk, Karnataka

Time: 2:00pm – 4:00pm

The College of Physiotherapy, Dayananda Sagar University, organized an impactful "Awareness and Screening Program on Adolescent Obesity" at the Karnataka Public School in Harohalli, Kanakapura Taluk, Karnataka. The program aimed to address the growing concern of adolescent obesity by conducting general health screenings and providing essential awareness and guidance. Program started with an informative session by Dr. Vinod Kumar to educate adolescents about the risks associated with obesity, emphasizing the importance of a healthy lifestyle, balanced nutrition, and regular physical activity. This was followed by the screening program conducted by Dr. Bhaswati and team of student volunteers from MPT 1st year, 2nd year, and BPT 4th year to assess the overall health status of adolescents by means of anthropometric measurements such as BMI, waist to hip ratio, sit and reach test and skin fold caliper measurements were taken to identify potential cases of obesity. Based on the individuals BMI level, Ergonomic advice was provided to address lifestyle factors contributing to obesity.

A total of 112 students of age group 13-16years were screened in this program. The approach included not only addressing the immediate health concerns but also educating students on preventive measures and lifestyle modifications to manage and mitigate their conditions effectively.

The program successfully increased awareness about adolescent obesity, equipped participants with the knowledge to make informed lifestyle choices.

To,

The Block Education Officer
Block Education Office
Kanakapura [Ramanagara District],
Karnataka.

Dear Sir,

Greetings from the College of Physiotherapy, DSU.

This letter is to propose an indoor sports activity "Empower Play – Celebrating Abilities" at SSA, Kanakapura on 18th Jan 2024. This activity is focused on the special-abled kids/students approaching SSA. The purpose of this activity is to motivate them towards rehabilitation through music and exercises in an amusing manner. The proposed itinerary is attached with this mail.

I hope for a positive response from your side.

Thanking you.

Regards,

16/01/2024
Dr Sathya Guruprasad

Report on Empower Play – Celebrating Abilities

Date: 18/01/2024

Place: SSA, Kanakapura

No. of Participants: 53

No. of Staffs participated: 2

No. of Volunteers: 10

An extension activity titled "Empower Play – Celebrating Abilities" was organized on 18th January 2024 College of Physiotherapy, Dayananda Sagar University, Bengaluru. The activity intended to aware and engage rural population near Kanakapura, Karnataka about the different types of disabilities and its rehabilitation aspects. The event was inaugurated under the presence of Block Resource Coordinator, Head of SSA, Kanakapura, Head of Lions Club, Kanakapura, Head of Leo Club, Kankapura and the staff of COPT, DSU. We involved children aged between 5-18 years into various games and recreational activities. This activity impacted and motivated disabled kids and their parent/care-taker and educated them about involvement of physiotherapy rehabilitation through exercises and music into daily life activities. The activities performed were throw a ball into goal, make a dance move, colour your mood, etc. These exercises helps to improve the functional independence of disabled kids and enhances their confidence into social engagement. This activity also aimed to redirect the society and parents' focus on humanizing the intellectual and physical disabilities and highlight about their respective opportunities in the competitive and outclassing world. The event concluded by selecting winners for each games played and honouring them with prizes.

The event was led by Dr. Feba Roy and Dr. Kanchan P. Sugandhi, both Assistant Professor, College of Physiotherapy, Dayananda Sagar University, Bengaluru alongwith 10 Volunteers (Post-graduates, Interns and Under-graduates, COPT, DSU). The determination and support of SSA team, Kanakapura along with Lions Club and Leo Club, Kanakapura helped in smooth conductance of the event.

To,

The Principal,
Manonandana Centre,
Bengaluru 560004

Subject: Requesting permission to conduct an extension activity at Manonandana Centre.

Dear Madam,

I hope this letter finds you in well condition. We are writing this letter to seek permission to organize an Extension Activity "**CapABLE Sports Fiesta**" at Manonandana Centre. Our goal is to create an inclusive and engaging experience that promotes physical activity and social interaction amongst the students at your centre.

We sincerely hope that you will grant us permission to conduct the sports event at Manonandana Centre. This opportunity for us will be a great learning experience and a step to service the ones in need.

Regards,

Dr Sathya Guruprasad

Permission granted to
conduct the activity under the
supervision of Special Educator

MINUTES OF MEETING

Circular Reference No: COPT/DSU/ 1123

Date & Time : 02-01-2024, 11:00 AM

Location : Principal's cabin

Duration : 30 minutes

Agenda : 1) Selection of sports/activities to be conducted for Special-abled children.
2) Distribution of responsibilities.

Members present:

Sl. No	Name	Representative's Designation	Signatures with date
1	Dr. Sathya P Guruprasad	Chairman	P Sathya
2	Dr. Gayathri Poojary	Extension activity Coordinator	Gayathri Poojary
3	Dr. Kanchan P Sugandhi	Event Coordinator	Kanchan P Sugandhi 02/01/24
4	Dr. Feba Roy	Event Coordinator	Feba Roy 21/1/24

Discussion Summary:

Sl. No	Action/Discussion Points	Responsibility	Timeline
1	Listing sports/games/activities for Specially abled Children along with itinerary of event	Dr. Kanchan P. Sugandhi	Within 1 day
2	Finalizing the budget	Dr. Feba Roy	Within 1 day

Signature of the Event Coordinator

1. Dr. Kanchan P. Sugandhi

2. Dr. Feba Roy

Signature of the Principal

Report on CapABLE Sports Fiesta

Date: 04/01/2024

Place: Manonandana Centre, Bengaluru

No. of participants: 42

No. of Staffs participated: 2

No. of Volunteers: 5

An extension activity named "CapABLE Sports Fiesta" was organised by College of Physiotherapy, Dayananda Sagar University, Bengaluru, on 04th January 2024. The activity included introduction and interaction with intellectually and physically challenged kids registered to the Manonandana Centre. The programme started at 10:30 am with the inauguration of "CapABLE Sports Fiesta" and felicitation of Principal, Manonandana Centre, Bengaluru. It was followed by Warm Up Exercises which included mild stretching and free exercises. Followed by this, all kids were engaged in different sports/games like Ball in the bucket, Name the object (drawn on board), Paint your mood, Skeleton dance, etc. All the activities mentioned above, focused on different aspects of rehabilitation – Memory, Cognition, Agility, Comprehension, Joint mobility and Aerobic capacity. The collaborative efforts of Programme Co-ordinators – Dr. Kanchan P. Sugandhi and Dr. Feba Roy, both Assistant Professor and 5 volunteers – Post Graduate students from the College of Physiotherapy, DSU along with the staff of Manonandana Centre lead to a successful event. Prizes were distributed to the winners of each game/sports. The programme ended approximately at 1:00 pm.

COLLEGE OF PHYSIOTHERAPY

Report on Lecture Series: Radiology - Insights in Imaging: Elevating Physiotherapy Practice

Date: February 26, 2024, to March 12, 2024

Venue: Seminar Hall, College of Physiotherapy, School of Health Sciences, DSU

Time: 11:00 a.m. to 01:00 p.m.

Introduction:

The College of Physiotherapy, School of Health Sciences, Dayananda Sagar University organized a comprehensive lecture series titled " Insights in Imaging - Elevating Physiotherapy Practice." The series aimed to provide basic knowledge and practical insights into the role of radiology in enhancing physiotherapy practices. It spanned from February 26, 2024, to March 12, 2024, encompassing various topics related to radiological imaging techniques and their applications in the field of physiotherapy. A total of 183 participants had registered for the Lecture series. The lecture series was conducted in Hybrid Mode. The sessions were handled by Department of Radiology and Department of Orthopaedics, CDSIMER. Our alumnus, Dr Shreya Jayanth, has taken part in the lecture series. There are around 12 colleges outside of DSU has taken part in the lecture series. A total of 13 lectures was conducted during the lecture series.

The list of colleges participated are listed below:

1. Narayana Hrudayalaya Institute of Physiotherapy, Bangalore
2. Columbia College of Physiotherapy, Bangalore
3. Yenapoya Physiotherapy College, Mangalore
4. Jindal Naturecure Institute, Bangalore

5. Hosmat Educational Institute, Bangalore
6. Amrutha ayurvedic Medical College and Hospital, Chitradurga
7. Kempegowda Institute of Physiotherapy, Bangalore
8. Dr M G R Medical University, Chennai
9. Vydehi Institute of Medical Sciences, Bangalore
10. Garden City University, Bangalore
11. Padmashree Institute of Physiotherapy, Bangalore
12. Head and Toe Physiotherapy Clinic, Bangalore

Objective:

The primary objective of the lecture series was to equip physiotherapy students and professionals with a deeper understanding of radiological imaging modalities, interpretation of images, and their integration into effective treatment plans. The sessions were designed to bridge the gap between theoretical knowledge and practical application, enabling participants to leverage radiology for better patient outcomes.

Session Highlights:

Introduction to Radiological Imaging: The series commenced with an overview of different imaging modalities such as X-rays, CT scans, MRI, and PET, Angiography, and Identification of Artifacts. The session focused on the principles, indications, and limitations of each modality, laying a strong foundation for subsequent discussions. The session was held on 26-02-2024 in between 11:00 a.m. and 01:00 p.m.

Imaging in neurological conditions and MRI of the Brain and Spinal Cord: A detailed exploration of radiological anatomy and common pathologies relevant to physiotherapy practice was conducted. Participants gained insights into identifying anatomical structures and pathological conditions through imaging studies. The session was held on 27-02-2024 in between 11:00 a.m. and 01:00 p.m.

Imaging in Cardiopulmonary conditions (Chest X-ray and Abdominal X-Ray): This session delved into the art of interpreting radiological images. Participants learned how to analyse images systematically, recognize normal versus abnormal findings, and correlate imaging findings with clinical presentations. The session was held on 28-02-2024 in between 11:00 a.m. and 01:00 p.m.

Ultrasound in Obstetrics and Gynaecology: ultrasound in Obstetric and Gynaecological conditions, in depth trimester wise ultrasound were discussed in detail. The session explored their applications in assessing obstetric and Gynaecological Conditions. The session was held on 29-02-2024 in between 11:00 a.m. and 01:00 p.m.

Imaging in Orthopaedic conditions: One of the key focuses was on integrating imaging findings into comprehensive treatment plans. Case studies and practical examples were used to demonstrate how radiology guides therapeutic interventions and rehabilitation strategies. The session was held on 01-03-2024 in between 12:00 noon. and 01:00 p.m.

Identification of Fracture Patterns in Radiology in Different Imaging Modalities: A crucial aspect of the series was addressing very commonly seen fracture patterns, how to identify the type of fractures in day-to-day life. Emphasis was placed on ensuring patient well-being and informed consent. The session was held on 05-03-2024 in between 12:00 noon. and 01:00 p.m.

Arthritis and Spine Imaging: it is difficult to identify various arthritis and spinal imaging. To overcome this problem, this topic was discussed and stretched so that it will be easy for the students to identify the arthritis and choose appropriate rehabilitation protocol. The session was held on 06-03-2024 in between 12:00 noon. and 01:00 p.m.

MRI of Knee and Shoulder: A crucial aspect of the series was addressing very commonly seen knee and shoulder injuries in an athlete as well as a common population. It is always important to know in-detail to identify these injuries, hence emphasis was made. The session was held on 07-03-2024 in between 12:00 noon. and 01:00 p.m.

Recognizing Benign and Malignant Tumours through X-rays and Advance Imaging: One of the key focuses was on the said topic on identifying various tumours. Case studies, practical examples were used to demonstrate how to identify and choose an appropriate rehabilitation protocol. The session was held on 06-03-2024 in between 12:00 noon. and 01:00 p.m.

Valedictory:

On 12th March 2024 at 02:00 p.m. the valedictory event has been commenced by the gracious presence of our Chief Guest- Dr Veda Raju, Head of the Department, Department of Radiology, CDSIMER and our Guest of Honor- Dr Pushpa Sarkar, Dean, School of Health Sciences. Dr Gayathri Poojary, Emcee of the Day welcomed the Chief Guest, Audience and the fellow colleagues and Invited Dr Sathya Guruprasad, Professor and Principal, College of Physiotherapy, School of Health Sciences, DSU to give the welcome speech followed by Chief Guest Speech and the Guest of Honour. Ms Sayali, our postgraduate student had taken a step forward and given feedback on the program on behalf of the audience. Dr Srihari Sharma K N and Dr Sai Bhavani were the organizers of the event. The lecture series was concluded with seamless knowledge and experience from the renowned resource persons in the field.

Speaker Profiles:

The lecture series featured renowned experts in the fields of radiology and physiotherapy, including:

1. Dr. Chandana Udayakumar, Assistant Professor, Department of Radiology, CDSIMER
2. Dr Kiran Kumar B M, Assistant Professor, Department of Radiology, CDSIMER
3. Dr Malathi S Bhat, Senior Resident, Department of Radiology, CDSIMER
4. Dr Nithyashree, Senior Resident, Department of Radiology, CDSIMER
5. Dr C R Sushaal, Senior Resident, Department of Radiology, CDSIMER
6. Dr Goutham D V, Assistant Professor, Department of Orthopaedics, CDSIMER

7. Dr Azahar Hussain M, Assistant Professor, Department of Orthopaedics, CDSIMER
8. Dr Sachin H G, Assistant Professor, Department of Orthopaedics, CDSIMER
9. Dr Sunil L K, Assistant Professor, Department of Orthopaedics, CDSIMER
10. Dr Sachin M Khemkar, Assistant Professor, Department of Orthopaedics, CDSIMER

Audience Engagement:

The sessions encouraged active participation through interactive discussions, Q&A segments, and hands-on workshops. Participants had the opportunity to engage with speakers, share insights, and collaborate on case studies, fostering a dynamic learning environment.

Feedback and Evaluation:

Feedback from participants was overwhelmingly positive, highlighting the series' effectiveness in enhancing their understanding of radiological concepts and their practical applications in physiotherapy. Key takeaways included improved diagnostic skills, enhanced treatment planning abilities, and a deeper appreciation for the interdisciplinary approach between radiology and physiotherapy.

Conclusion:

The "Insights in Imaging: Elevating Physiotherapy Practice" lecture series was a resounding success, achieving its objectives of providing comprehensive knowledge and practical skills to physiotherapy students and professionals. The integration of radiological insights is expected to elevate the quality of patient care and outcomes in physiotherapy practice, emphasizing the importance of continued education and interdisciplinary collaboration in healthcare settings.

Imaging in neurological conditions
MRI of the Brain and Spinal cord

DR. NITHYASHREE S
SENIOR RESIDENT
(28-02-2024, 11 am - 12 pm)

DR. KIRAN KUMAR B M
SENIOR RESIDENT
(28-02-2024, 12 pm - 1 pm)

Imaging in Cardiovascular conditions
(Chest X-ray and Abdominal X-ray)

Valedictory Invitation

We cordially invite you for the
valedictory function of the Lecture Series on Radiology
"Insight in Imaging: Elevating Physiotherapy Practice"
on 12th March 2024 from 12:00 to 1:00 pm,
in Seminar Hall, College of Physiotherapy,
School of Health Sciences, DSU.

CHIEF GUEST

Dr. Vedaraju

Head of Department
Department of Radiology
CDSIMER

GUEST OF HONOR

Dr. Pushpa Sarkar

Dean
School of Health Sciences
Dayanand Sagar University

You are Benevolently invited to the event
by the Principal & Staff, COPT, SHS, DSU

Feedback

1. The first part of the report is a general introduction to the project. It should state the purpose of the study, the objectives, and the scope of the work. It should also mention the date of the report and the name of the person who prepared it.

2. The second part of the report is a detailed description of the work done. It should include a list of the tasks that were completed, a description of the methods used, and a discussion of the results. It should also include a list of the references that were used.

3. The third part of the report is a conclusion. It should summarize the findings of the study and state whether the objectives of the study were met. It should also mention any limitations of the study and suggest areas for further research.

4. The fourth part of the report is a list of references. It should include all the books, articles, and other sources that were used in the study. It should be formatted according to the requirements of the institution.

5. The fifth part of the report is a list of appendices. It should include any additional information that is relevant to the study, such as raw data, calculations, or diagrams. It should be formatted according to the requirements of the institution.

6. The sixth part of the report is a list of figures. It should include any charts, graphs, or tables that were used to present the results of the study. It should be formatted according to the requirements of the institution.

7. The seventh part of the report is a list of tables. It should include any tables that were used to present the results of the study. It should be formatted according to the requirements of the institution.

8. The eighth part of the report is a list of footnotes. It should include any additional information that is relevant to the study, such as corrections or clarifications. It should be formatted according to the requirements of the institution.

9. The ninth part of the report is a list of acknowledgments. It should include any thanks that are due to individuals or organizations that helped with the study. It should be formatted according to the requirements of the institution.

10. The tenth part of the report is a list of appendices. It should include any additional information that is relevant to the study, such as raw data, calculations, or diagrams. It should be formatted according to the requirements of the institution.

Experience:

- Worked as a senior resident in East point medical College after DMRD degree for an approximately 1 YEAR in 2019.
- Worked for one year in a private diagnostic centre, (Malnad Diagnostic centre) at Shimoga after DNB.
- Presently working as a senior resident in Dayanand Sagar Medical College, Bangalore since 1 year 3 months.

Area of Expertise:

- Conventional modalities like xray
- Ultrasound
- CTscan
- MRI

Academic Exposures:

- o Presented E- poster titled "A RARE MITOCHONDRIAL CYTOPATHY- LEIGHS DISEASE" in 71st annual state conference of Indian radiological and imaging association held in Chennai, in December 2018.
- o Attended workshop at Sriramachandra institute of higher education and research, Chennai.
- o Attended workshop and conference at 34th annual state conference of IRIA, held in march 2018, JJMMC Davangere.
- o Attended CME on fetal radiology in jnmc belagavi, 2018.
- o Attended JNMC scientific society 36th annual CME 2018 on emergencies in clinical practice.
- o Participated in skills for management of emergencies conducted by clinical skills lab, jnmc Belagavi in 2018.
- o Attended TECH-RAD1 national CME in medical imaging innovation in jnmc 2018.
- o Attended CME ON emergency radiology held in jnmc, Belagavi, 2018.
- o Performed and reported independently especially in BODY, NEURO IMAGING AND CARDIAC IMAGING.

Curriculum vitae

Dr Chandana Udayakumar

Currently working as Assistant Professor in Department of Radiodiagnosis at CDSIMER, since 2 years. Dr Chandana has completed her MBBS degree from M.S. Ramaiah Medical College and M.D in Radiodiagnosis from Bangalore Medical College and Research Institute. Has completed senior residency in Mc Gann Hospital, SIMS Shimoga. Has a four year work experience in the field of Radiodiagnosis. Has published articles in two national and one international journal and presented papers in National Radiology Conferences. She has completed training and certification course in Fetal Radiology and Genetics. Has special interest in field of musculoskeletal and fetal imaging.

Curriculum vitae

Dr Malathi S Bhat

Did Under graduation and postgraduation from Father Muller Medical College Mangalore.

Currently working as senior Resident in the department of Radiodiagnosis

Presented International educational exhibit poster on 'Budd Chiari Syndrome' at American Roentgen Ray Society Meet of 2022 and presented Papers and posters at various conferences.

Won places in quiz conducted at IRIA Karnataka State chapter 2022

Attended many state and National conferences in Radiology

Has two publications in state and national journals.

Dr. C. R. SUSHAAL

Currently working as Senior Resident in Department of Radiodiagnosis at CDSIMER.

Completed MBBS degree from Mandya Institute of Medical Sciences, Mandya.

M.D in Radiodiagnosis from Mahadevappa Rampure Medical College, Gulbarga.

Has attended and presented oral papers in numerous state and national conferences.

Has published articles in one international journal and two national journals.

CURRICULUM VITAE

Dr. Sunil.L. K

MBBS, MS (Ortho), DNB,

Fellowship in Shoulder & Elbow Surgery [FSES] [South Korea]

Fellowship in Sports injury and Arthroscopy [FRGUHS]

Experience Post MS (+6yrs)

Date of birth: 22 -12-1989.

sunilmurthylk@gmail.com

Ph no: 9845473625

Present address: # 217, 1st main, 3rd cross, Netaji Nagar, PTC layout, Mysore.

OVERVIEW

A dedicated orthopaedic surgeon seeking to serve patients to the best of my abilities with interest in the field of sports injury and arthroscopy and arthroplasty.

QUALIFICATIONS

- May 2014 to May 2017
MS Orthopaedics, KMC Mangalore, Manipal Academy of Higher Education.
- DNB Orthopaedics
National Board of Examination – JUNE 2018
- August 2007 to March 2013
MBBS, Sri BM Patil medical college, Bijapur, Karnataka. (RGUHS University)

FELLOWSHIPS, SPECIALITY TRAINING & OVERSEAS TRAINING.

- Fellowship in Sports injury and Arthroscopy,
October 2021 to April 2023. (18 months)
St Johns Medical College,
Rajiv Gandhi University of Health Sciences, Bangalore.
- Fellowship in Shoulder and Elbow service (FSES) (October 2019 to December 2019, 3 months) (South Korea)
Professor Jun-Gyu-Moon, Korea University Guro Hospital,
Director Sports medical centre, HOD, Dept of Orthopaedic surgery.
- IOA YUVA Mentor fellowship in adult reconstruction in Hip and Knee surgery
(7 november to 25 november 2021, 2 weeks).
Under Professor Dr Rajkumar S Amaravati.

PREVIOUS WORK EXPERIENCE (4 yrs+) & CURRENT POSITION

- Clinical Fellow in Sports Injury and Arthroscopy, October 2021 to April 2023 (18 months)
St Johns Medical College, RGUHS University, Bangalore.
- Assistant Professor in Dept. of Orthopaedics. 16 July 2020 to 19 Oct 2021. (1 year, 3 months)
Sports medicine and Arthroplasty unit, KMC Mangalore, Manipal Academy of Higher Education, Manipal, Karnataka.
- Senior resident in Dept. of Orthopaedics. June 2017 to 15 July 2020 (3 yrs, 25 days)
KMC Mangalore, Manipal Academy of Higher Education, Manipal, Karnataka.
- Junior resident in Dept. of Orthopaedics. May 2014 to May 2017. (3 yrs)
KMC Mangalore, Manipal Academy of Higher Education, Manipal, Karnataka.

Current position:

- Assistant Professor in Dept of Orthopaedics. 4 May 2023 to till date.
CDSIMER, Dr Chandramma Dayananda Sagar institute of Medical Education and Research, Unit of Dayananda Sagar University.

AWARDS

- Dr Sudhakar Shetty Memorial Award for securing rank in Orthopaedics at
KMC Mangalore, Manipal Academy of Higher Education, Manipal.

COURSES ATTENDED:

- Attended basic and advanced shoulder cadaveric workshop- held at MS Ramaiah Institute on 11th and 12th June 2022
- Attended basic life support at St John's Medical College on 17th May 2022.
- Attended and Completed AO Trauma course – Basic Principles of Fracture Management. At Cochin, Kerala b/w 14 to 16 March 2019.
- Attended Paediatric foot deformities correction workshop held at KOACON 2019.
- Attended various medical education related workshops.

- Presented poster titled. "Total Scapulectomy for management of Ewing's sarcoma, a case report" at *KOACON 2017 (Regional).*
- Presented poster titled. "Fracture neck of femur with femur antirotation nail insitu – a rare complication" at *KOA ICL 2018 (Regional).*

PROFESSIONAL SKILLS

- ✓ Trained to manage emergency conditions & orthopedic emergencies.
- ✓ Trained to manage independently the Basic & Complex trauma cases.
- ✓ Trained and performed nailing and plating for long bones fractures.
- ✓ Trained and performed fixations of small bones independently.
- ✓ Trained and performed soft tissues procedures like carpal tunnel decompression and dequervains tenosynovitis release independently.
- ✓ Trained and performed partial and total arthroplasty of hip.
- ✓ Assisted and performed arthroplasty of hip and knee.
- ✓ Assisted Ilizarovs technique for nonunion tibia, deformity correction.
- ✓ Assisted Laminectomy and discectomy and PLIF.
- ✓ Assisted cervical spine surgeries
- ✓ Assisted and performed Arthroscopic Meniscectomy and ACL and PCL reconstructions.
- ✓ Assisted and performed shoulder Arthroscopy, Rotator cuff repair, Bankarts repair, Latarjet procedure
- ✓ Assisted pelvi acetabular surgeries.
- ✓ Have experience in managing pediatric fracture management
- ✓ Actively involved in teaching undergraduates and postgraduates at institute

CONFERENCES ATTENDED

- ✓ Attended Pune knee course 2022 - 29/7 to 31/7- 2022.
- ✓ Attended KOACON 2022 - 6/5 to 8/5-2022.
- ✓ Attended SICOT 40th SICOT Orthopaedic World Congress held at Muscat, Oman, from 4 to 7 December 2019.
- ✓ Attended 69th Korea Orthopaedic Congress, held at Seoul, South Korea, October 17-19th 2019.
- ✓ Attended IOACON 2018 at Coimbatore.
- ✓ Attended ISSHCON 2014 the 38th annual conference of Indian society for surgery of the hand held in November 2014 at Mangalore.
- ✓ Attended YEX FIX 2015 held on January 2015 held by canara orthopaedic society.
- ✓ Attended OASISCON September 2016 held at Guntur.
- ✓ Attended PEDIATRIC FOOT DEFORMITIES WORKSHOP during KOACON 2017.
- ✓ Attended KOACON 2017 held at HUBLI February 2017.
- ✓ Attended KOACON 2018 held at MANGALORE February 2018.
- ✓ Attended thoracolumbar spine trauma held at KMC Mangalore
- ✓ Attended workshop on PROFESSIONALISM IN MILLENNIALS CAUGHT OR TAUGHT held at KMC Mangalore conducted by medical education unit.
- ✓ Attended workshop on facilitation skills in clinical setting held at KMC Mangalore conducted by medical education unit.
- ✓ Attended various CME and local workshops during post-graduation training.

Subject: CONDUCTING FACULTY SUPPORT PROGRAM

Dear Faculty Members,

We are pleased to inform you that **COPT** is organizing a faculty support and motivational event titled "**Enrich Minds: Faculty Support and Motivational Program**" aimed at enhancing faculty engagement, well-being, and professional development.

In preparation for this significant event, a **pre-event meeting** will be conducted to discuss the logistics, objectives, and roles of all involved parties. The meeting will provide an opportunity for all staff to get involved and contribute to the successful execution of this program.

Details of the Meeting:

Date: 15.03.24

Time: 10AM-11AM

Venue: Principal office

Agenda:

1. Overview of the "Enrich Minds" program.
2. Discussion on faculty engagement and participation.
3. Keynote speakers and session planning.
4. Event logistics and resource allocation.
5. Assigning roles and responsibilities.
6. Q&A and suggestions for improvement.

We strongly encourage all faculty and staff to attend this important meeting, as your input and collaboration are essential to the success of this initiative. Your active participation will ensure that we can offer a comprehensive, impactful, and enriching experience for all our faculty members.

MINUTES OF MEETING

Details of the Meeting:

Date: 16.03.24

Time: 10AM-11AM

Venue: Principal office

Meeting Title: Pre-event Planning Meeting for “**Enrich Minds: Faculty Support and Motivational Program**”

Agenda:

1. Overview of the "Enrich Minds" Program
2. Discussion on Faculty Engagement and Participation
3. Keynote Speakers and Session Planning

Minutes:

1. Overview of the "Enrich Minds" Program

- Dr. Feba Roy provided an introduction to the “**Enrich Minds**” program, highlighting the primary objective of enhancing faculty engagement, well-being, and professional development.
- The event is designed to offer motivational sessions, workshops, and opportunities for faculty members to discuss challenges, share experiences, and strengthen their skillsets.

2. Discussion on Faculty Engagement and Participation

- It was emphasized that active participation from all faculty members is crucial for the success of the program.
- Suggestions were made to actively encourage faculty members through emails and posters, and to create a participatory environment through interactive workshops.

3. Keynote Speakers and Session Planning

- Dr. Feba Roy suggested inviting prominent external speaker- MR. RAVINDER SINGH who could address key areas like stress management, motivation, and career growth.
- The possibility of inviting internal speakers with expertise in different fields was also discussed.
- **Action Item:** finalize speaker by staffs

Report on "Enrich Minds: Faculty Support and Motivational Program"

Date: 24.5.24

Venue: Physiotherapy Education Unit, located on the 3rd floor of the Health Sciences Building

Time: 9:30am to 1:00pm

Program Coordinator: Dr. Feba Roy

Number of participants: 24

On 24th May 2024, the College of Physiotherapy at Dayanand Sagar University hosted an inspiring event titled "Enrich Minds: Faculty Support and Motivational Program." Held in the Physiotherapy Education Unit, located on the 3rd floor of the Health Sciences Building, the program ran from 9:30 AM to 1:00 PM. It brought together 24 faculty members from various departments, including Medical, Nursing, and Engineering.

The primary objectives of the program were to enhance the professional growth and well-being of the faculty by focusing on several key areas:

- Interpersonal Relationships
- Goal Setting
- Stress Management and Progressive Relaxation Techniques
- Golden Principles of Human Relationships
- Law of Attraction

Program Highlights

The event commenced with Dr. Feba Roy assistant professor's welcome address, followed by a lamp-lightening ceremony by our esteemed guest of honor Dr. Pushpa Sarkar Dean school of health sciences, Dr. Sathya Guruprasad principal COPT and Mr. Ravinder Singh Kalsi, the resource person for the event. Dr. Sathya Guruprasad principal addressed the gathering, emphasizing the significance of the day's event. Dr. Vinod and Dr. Sunjyoth welcomed our guest of honor, Dr. Pushpa Sarkar and the resource person, Mr. Ravinder Singh Kalsi. Dr. Pushpa Sarkar, Dean of the School of Health Science, addressed the gathering, emphasizing the importance of work ethics and wishing all participants a productive day, thus setting a positive tone for the event. The sessions were designed to be interactive and practical, enabling participants to apply the techniques and strategies discussed directly. Participants provided overwhelmingly positive feedback, highlighting the program's relevance and the immediate applicability of the techniques learned. Many faculty members expressed their appreciation for the opportunity to connect with colleagues from different departments and to gain new insights into personal and professional development.

In conclusion, the program significantly contributed to the professional growth and well-being of the faculty. The event not only enhanced individual skills but also fostered a sense of community and mutual support among the participants. We extend our heartfelt thanks to everyone who participated and contributed to making this event memorable and impactful.

Report on Synapse 2024

11th June 2024

The Synapse 2024, an annual fest organized by the College of Physiotherapy at Dayananda Sagar University, concluded with grandeur and enthusiasm on 11th June 2024. This year's fest showcased a vibrant mix of talent, creativity, and competitive spirit among the participants, making it a memorable event for all involved. The fest saw the participation of the four teams, each competing across a diverse range of events. Synapse 2024 featured a total of about 28 events, divided into 23 off-stage events and 5 main stage events. The off-stage events covered a wide spectrum of activities, literary, cultural and co curricular events. The highlight of Synapse 2024 was undoubtedly the main stage events that happened in PC Sagagr auditorium which drew large crowds and generated tremendous excitement.

The Chief guest for the event were Dr. B N Sai Harsha Director, Shri Shirdhi Sai Physiotherapy Clinic, Guest of Honor Dr. Pushpa Sarkar, Dean of School of Health Science, DSU, Mrs. Shyamantha, Deputy Director, Student Affairs, DSU and the special invitee for the event was Ms Nidhi Nagaraj Hegde, Actress Kannada Film Industry. The events began with a prayer song and lamp lighting, followed by the E-release of the newsletter. The Other special invitees were Mr. Arun Surya, Mr. Varun Gururaj and Mr. Dhiraj who added the charm to the event.

The fest concluded with an elaborate award ceremony. The ceremony included the presentation of various awards, with a special segment dedicated to recognizing academic excellence. This segment honored students who had excelled in their academic pursuits. The alumni of the College of Physiotherapy were also invited to the ceremony and were awarded. All cultural prizes were distributed during the award ceremony. The winners of the various events were celebrated for their outstanding performances and contributions to the fest. The culmination of the event was the announcement of the overall winners. The team that had triumphed in the most events was awarded the title of the overall champions of Synapse 2024.

Synapse 2024 was not just a fest but a celebration of talent, hard work, and the vibrant spirit of the student council at the College of Physiotherapy, Dayananda Sagar University. It succeeded in bringing together students, faculty, and alumni in a joyous celebration of unity and excellence. The fest left an indelible mark on all participants, promising even more spectacular events in the years to come.

Report:

The DataScience@DSU club, Department of Computer Science Engineering (Data Science) in association with CSI has successfully organized a Doodle Art competition "**Doodle Art: DSU live the dream**" on the occasion of Engineer's Day held on 15th September, 2023 by the in house faculties. The organizers of the event were Dr. Kakoli Bora, Associate Professor, Dept. of CSE (Data Science), Prof. Vaishali Bagewadikar, Assistant Professor, Dept. of CSE (Data Science) and Prof. Shahwar Ara Kamal S, Assistant Professor, Dept. of CSE (Data Science).

The event was inaugurated by Dr. Shaila SG, Professor and Chairperson, CSE(DS), SoE, DSU. She has given an insight of the significance of Engineers day and about the event. The students from CSE and CSE(DS) participated in the doodle art competition. The theme of the art was DSU live the dream. The students were very happy to get a chance to participate in the event.

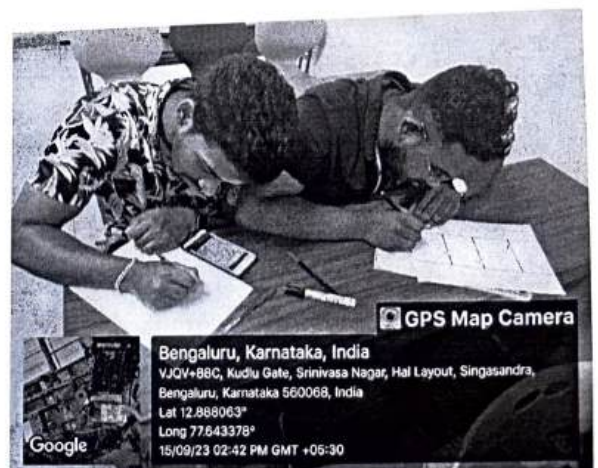

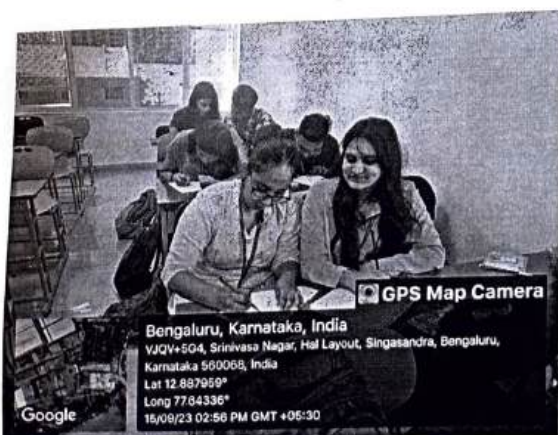

Total 8 teams took part in the competition. The judges selected the top 3 teams based on their creativity, uniqueness and cleanliness.

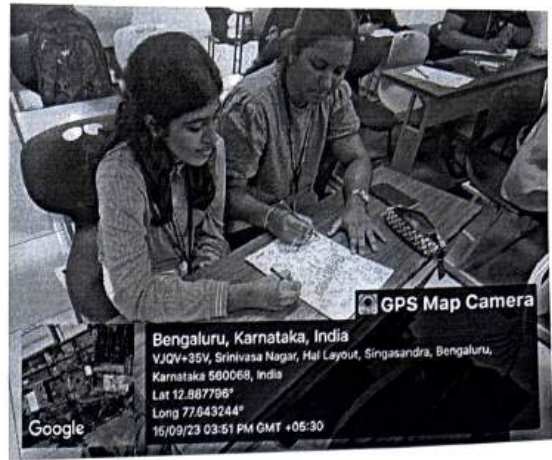

At the end of the event an evaluation was carried out and the students submitted great feedback.

The Takeaways of the event are:

1. Introduction to engineers day's significance
2. Role of Sir M Visveswaraya in creating the modern India

Few glimpses of the event:

Thank You.

**May this festival brings joy and
prosperity to your life**

port:

DataScience@DSU Club, the Department of CSE (Data Science) organized a "Onam Celebration" on 26th August 2023 organized by Dr Shaila S G, Professor and Chairperson, Dept. of CSE (Data Science), Prof. Shivamma D, Assistant Professor, Dept. of CSE (Data Science).

Onam, the vibrant and culturally significant festival of Kerala, is a time of joyous celebration that typically lasts ten days. The festival usually falls in the Malayalam month of Chingam, around August or September. A central element of the celebration is the creation of intricate flower rangolis called Pookalam, which adorn the entrance of homes and public spaces, showcasing the artistic skills and unity of the community. The grand Onasadya feast, featuring an array of traditional vegetarian dishes, serves as a symbol of abundance and togetherness, bringing families and communities closer. Cultural performances like Kathakali and Pulikali add an element of entertainment and showcase the rich cultural heritage of Kerala.

The boat races (Vallam Kali) are another highlight, reflecting the state's maritime legacy. Overall, Onam is a vibrant tapestry of tradition, community, and cultural pride. In contemporary times, Onam celebrations continue to evolve, with the inclusion of modern elements and technology. Social media platforms play a role in spreading the festive spirit, and various cultural events and competitions add dynamism to the festivities. While embracing these changes, the essence of Onam, rooted in Kerala's history and mythology, remains a testament to the state's enduring cultural heritage, bringing people together in the spirit of joy, unity, and tradition.

The Takeaways of the event are:

1. Onam offers students a holistic learning experience encompassing culture, history, art, and values.
2. It encourages them to appreciate diversity, maintain a connection to their roots, and celebrate the importance of community and tradition.

DAYANANDA SAGAR UNIVERSITY
**DEPARTMENT OF COMPUTER SCIENCE &
TECHNOLOGY**

7.1.11 Institution celebrates / organizes national and international commemorative days, events and festivals (within 500 words).

DSU considers that India is a land of festivals, cultural diversity, and great personalities. Every festival and commemorative day has its own importance and hence celebrated based on a particular theme. These celebrations include activities like, guest lectures, conferences, scientific exhibitions, and other awareness spreading events. The national days such as Republic Day (January 26), Independence Day (August 15), and Gandhi Jayanti (October 2), are celebrated enthusiastically, with great pride and honour. All university personnel and the dignitaries of the University participate in these celebrations, with NCC parade (for the first two), patriotic songs, and addresses being the parts of these celebrations. DSU also celebrates Karnataka Rajyothsava (November 1), as a Karnataka State festivity and an occasion wherein even students from other states and

abroad take part with enthusiasm. They are introduced with the rich Kannadiga cultural heritage. DSU celebrates birth anniversaries of great leaders and freedom fighters of India, and organizes various programmes to pay due respect to the national leaders, educationalists, and all those who have contributed to the freedom struggle and nation-building. World Epilepsy Day (second Monday of February) is celebrated by organizing a walkathon, to create awareness about the disease. Skit performance is generally arranged on epilepsy attack and its management. Women's Day (March 8), is celebrated by imparting relevant awareness on its underlying core values. World Labour Day (May 1) is celebrated to recognize the contributions of the workforce. The International Yoga Day is celebrated (June 21) with the Yoga practice sessions deliberating on Yoga, its mental and physical benefits and actual demonstration and performance of some yoga asanas. Breast Feeding Day (August 1) is celebrated by organizing guest lectures, to create awareness about breast feeding, to eliminate the myths associated to it, and sensitize the women on the importance of breast feeding both for mother and the baby. Teachers Day (September 5) is celebrated by organizing webinars, with students actively participating. World Pharmacists Day is celebrated (September 25), through a rally by the students and faculty members, to create an awareness about the expertise of pharmacists in medical field. World Hearts Day (September 28) is celebrated by organizing a walkathon. World Diabetes Day (November 14) is celebrated with the aim to create an awareness regarding disease, diet, life-style modification and complications in diabetic patients. World AIDS Day (December 1) and International Day of Persons with Disability (December 3) are celebrated through awareness walks. The year 2019 was declared as International Year of the Periodic Table of Chemical Elements by UN. DSU celebrated this by organizing a lecture on "Mendeleev's Periodic Table of Chemical Elements: Significance and Applications in Research" on September 19, 2019. The Royal Society of Chemistry, UK extended the financial support of 500 pounds for this event. Prominence is also given for geographic region/ faith-based celebrations such as Onam, Ugadi, Holi, and other new years, which help the students to understand the culture and learn them to respect others culture and traditions. These initiatives anchor the idea of unity in diversity.

3. Time: 10 am-11:30 am
4. Mode:
 - Offline: Campus-3, Block A, MBA Corridor

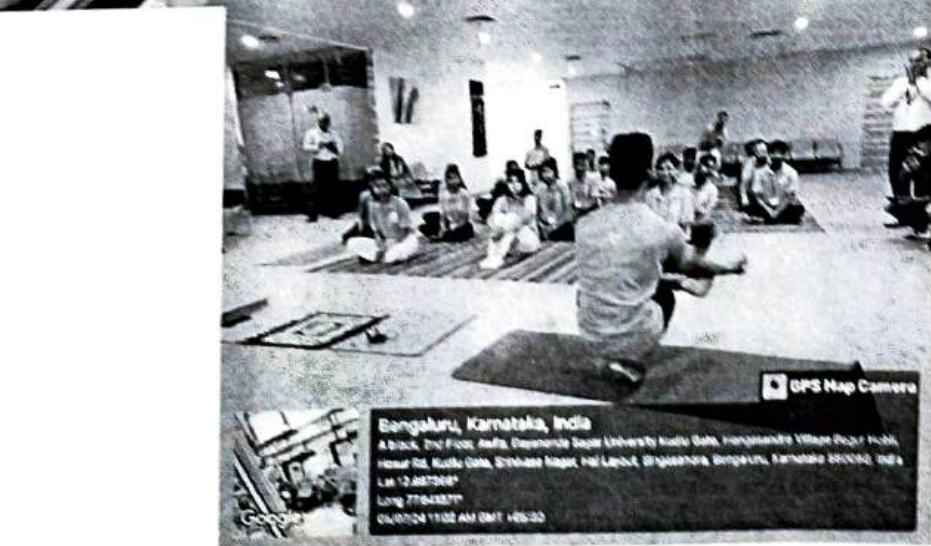

5. Brochure of the Event

6. Brief Description:

- International Yoga Day is celebrated to raise awareness of the many benefits of practicing yoga. It was first observed in 2015 after being declared by the United Nations General Assembly. Yoga is an ancient Indian practice that promotes physical, mental, and spiritual well-being.
- The theme for International Yoga Day 2024 is "Yoga for Self and Society." This theme emphasizes the two-fold benefits of yoga practice: enhancing personal well-being and fostering a more positive and harmonious society.
